

COURSES

PART 1

(12:00 pm - 4:00 pm EST)

PART 2

(12:00 pm - 3:30 pm EST)

Introduction to Low Impact
Development (LID)
REQUIRED

Thursday, October 24, 2024

Friday, October 25, 2024

Principles of Successful LID
Construction
REQUIRED

Thursday, November 14, 2024

Friday, November 15, 2024

LID Inspection, Maintenance
and Operation
REQUIRED

Thursday, December 5, 2024

Friday, December 6, 2024

LID Design: Bioretention
REQUIRED

Thursday, January 16, 2025

Friday, January 17, 2025

Life-Cycle Costing for LID
Applications
ELECTIVE

Thursday, February 13, 2025

Friday, February 14, 2025

Introduction to Erosion and
Sediment Control & Best
Practices for LID Implementation
ELECTIVE

Thursday, February 27, 2025

Friday, February 28, 2025

LID Performance Monitoring
Verification
ELECTIVE

Thursday, March 13, 2025

Friday, March 14, 2025

Applying the Treatment Train
Tool in LID Design Analysis
ELECTIVE

Thursday, March 20, 2025

Friday, March 21, 2025

Emerging Topics in
Stormwater Management
ELECTIVE

Thursday, April 3, 2025

Friday, April 4, 2025

Introduction to Municipal
Stormwater Financing/Charges
ELECTIVE

Thursday, April 24, 2025

Friday, April 25, 2025
